ACM's latest production completed

Written by Administrator Thursday, 11 July 2013 13:59 - Last Updated Thursday, 11 July 2013 14:16

ACM's latest CD just finished productions at Theon Studio. The album was recorded, mixed and mastered at our facility.

The CD contains fresh piano interpretations of 14 ACM classics, performed by local pianist/composer/arranger, Lawrence Chow.

The Album, titled [] [] []; [] [] [], will be available at the coming Hong Kong book fair.
